IJDCR GUIDELINES FOR AUTHORS

Dear Author,

Each article must follow the journal's standard structure to ensure consistency and ease of review. The following should be taken into consideration:

1. GENERAL STRUCTURE

a. . Title Page

- Title of the article (concise and informative)
- Author(s) full name(s) with affiliations
- Corresponding author's contact details (email, phone number)
- ORCID iDs for all authors (if available)
- Acknowledgments and funding sources (if applicable)

b. Abstract

- Word limit: 150–250 words
- Structure: Background, Methods, Results, and Conclusion
- Keywords: 4–6 relevant keywords

c. Introduction

- Brief background and context of the study
- Clearly state the research question or objective
- Justification and significance of the study

d. Materials and Methods

- Detailed description of the methodology for reproducibility
- Ethical considerations (if applicable)
- Statistical analysis procedures

e. Results

- Present findings logically using text, tables, and figures

- Avoid interpretation in this section

f. Discussion

- Interpret results in the context of existing literature
- Highlight the study's strengths, limitations, and implications

g. Conclusion

- Summarize key findings and their significance
- Provide recommendations for future research

h. References

- Use APA referencing style
- Ensure accuracy and completeness of citations

h. Appendices (if necessary)

- Supplementary information such as large datasets, questionnaires, or extended methodological details

2. FORMATTING GUIDELINES

a. Document Format

- File Type: Microsoft Word (.doc/.docx)
- Paper Size: A4 (8.27 × 11.69 inches)
- Margins: 1-inch (2.54 cm) on all sides
- Line Spacing: 1.5
- Font: Times New Roman, 12 pt
- Justification: Left-aligned (except for headings and title, which should be centered)

b. Headings and Subheadings

- Use a clear hierarchical structure
- Main Headings (e.g., Introduction, Methods, etc.):
Bold, 14 pt
- Subheadings: Bold, 12 pt

c. Tables and Figures

- Number sequentially (Table 1, Table 2, Figure 1, Figure 2)
- Provide clear, descriptive captions below figures and above tables
- Ensure high-resolution images (at least 300 dpi)

d. Citations and References

- Use in-text citations consistently (e.g., APA: Author, Year)
- Ensure all in-text citations appear in the reference list and vice versa
- Arrange references alphabetically

3. SUBMISSION GUIDELINES

- Manuscript length: 3,000–8,000 words (including references)
- Submit through the journal’s emailing address
- Ensure compliance with journal-specific requirements
- Include a cover letter highlighting the study’s major contribution to knowledge

By following these guidelines, you will ensure your manuscript meets the acceptable standard for publication.

Thank you

Yours Sincerely,

A handwritten signature in blue ink, appearing to read 'B.N. Chinweobo-Onuoha', with a stylized, flowing script.
